Yogesh Verma

Front End Developer

I am a third-year engineering student at Lovely professional university in Punjab, I am deeply passionate about pursuing a career as a full-stack developer. I'm also fascinated by playing around with data , structures and algorithms, which are like puzzles to me. I am eager to absorb all the knowledge and skills , i am in this dynamic field and apply them to real-world projects. In addition, I value teamwork and highly sociable, making me strong asset to any team.

Work Experience
